

# McGregor Lakes Area Foundation

## 2021 Grant Application Cover Sheet

**Application Deadline: October 15, 2020**

### Criteria for application:

1. The project must benefit the people and/or the environment in the greater McGregor area.
2. The organization applying must be operated for charitable, educational, or scientific purposes with no part of their funds benefitting any private shareholder or individual.
3. If your organization/project received funding in the previous year, applicants must summarize how the funds were used and how it benefitted the applicant's programs.
4. New funding request must include a detailed budget on how dollars will be used (*applicants understand that requested amounts may be adjusted based on availability of Foundation funds in any given year*).
5. Applicant organization agrees in advance that the McGregor Lakes Area Foundation may use the organization's name and funding amount, provided grant is approved, in press releases, web sites, social media posts, and other forms of communication.
