## ANNUAL ANNIVERSARY CAMPAIGN

### WHY JOIN THIS CAMPAIGN?

Besides showing that even smaller investors can make a big and tangible impact on our local area, the Seeds of Change Campaign serves two other purposes.

**ONE:** Fifty percent of the individual donations will go to our Seeds of Change Anniversary Fund to support our annual ongoing operating costs.

**TWO:** The other fifty percent of the individual donations will benefit one or more of our local area Nonprofit Partners within this fiscal year.

### HOW TO DONATE
